About Research Solutions Global

Research Solutions Global is an India based registered Organization working in the field of Higher Education and academic Research. We started our journey way back in the year 2010 by establishing a Registered Society in Haryana, India, connecting many research scholars of Haryana to address the common need of academicians and students by offering them consultancy in their research work. We are born with an intent to assist Research Scholars & Professionals in their academic research work and cover almost all subjects related to Engineering, Humanity, Arts, Social Sciences, Management and more. We cater to a global audience, help them in their academic research work by assisting them in their thesis writing, paper writing, plagiarism removals & data analysis in any subject. Our Team consists of experts in all subjects who can provide relevant and fast solutions. This work is combined with book publications and idea patenting in line with Indian Patent system. We assist scholars publish their research work in the field of Arts, Humanity, Management, Social sciences, Engineering and computer sciences in relevant Journals (indexed in Scopus, UGC, Web of science etc) and Magazines. We are associated with many established technical institutes, colleges, Universities and research centres to promote the exchange of information and knowledge among the student's fraternity. We also conduct International and national level Workshops, Conferences, Management Development Programs, arrange internships and other events to enhance knowledge, skills, for the development of academicians.

About Murlidhar Girls' College

Muralidhar Girls' College, situated at the heart of the city, is one of the premier institutions of women's education in Kolkata, West Bengal. The college was started by Acharyya Muralidhar Bandopadhyay in 1940, soaring steadily through a span of 82 years in academics as well as in NCC and NSS, establishing itself as a heritage institution. The college received B++ grade from UGC-NAAC in September 2016. This reputed college in Kolkata provides various Arts and Science courses affiliated towards the empowerment of girl students. CBCS system, distributed over six semesters, which is currently followed in the college, is a modern, well-structured and efficiency-building method of learning. Students get the opportunity to have higher skills specific to their chosen subject which will make them more suitable to fit better in this competitive market. College sponsored career and market-oriented add-on courses that have utility for the job, self-employment and empowerment of the students are conducted for their benefit. Apart from Kanyashree Prakalpa, numerous other scholarships like Minority, ST/SC/OBC, Udayan etc. are catered to. The college organizes conferences, workshops, and placement training sessions for the betterment of both the students and teachers. College sports, functions and prize distribution ceremonies are organized every year. IGNOU (Indira Gandhi Open University) study centre in this college fulfils the higher educational aspirations of the students and paves the way for an inclusive knowledge society for all. The Principal of the College, the IQAC and all the staff are constantly working to give the students the best possible teaching and learning environments. The preparation and implementation of these plans are the responsibility of certain committees, which also ensure that the teaching and learning processes are improved.
